

Report on Project work/field work/internship

- TOPIC OF THE FIELD WORK : EDUCATIONAL EXCURSION
- DATE OF VISIT: 02/04/2022
- PLACE OF VISIT: INDIAN MUSEUM
- NO. OF PARTICIPANTS (INCLUDING TEACHERS) : 09
- SUMMARY : We, the department of Sanskrit Teachers and Semester 4 students visited INDIAN MUSEUM in central Kolkata on 02/04/2022. We went there just because for the students who will give some knowledge of about Epigraphy .

Indian Museum's archaeological gallery, dedicated to show the sculptural evolution in India. The sculptures on display belong to Buddhist, Brahmanical and Jain faiths which are dated between 2nd century CE and 15th century CE. There belong to Kushan, Gupta, Pala, Sena , chandelle , Pallava , Vijaynagar and Chola periods .

Indian Museum has a unique assemblage of Coins , numbering more than fifty two thousand . A new copper plate inscription of Dharmapala kept in the Indian Museum . The mahasthan Brahmi inscription is considered to be the oldest inscription of Bengal .

Students were satisfied and pleased to visit this Museum .
