**(Sub: Declaration by Students on their Admission Status)**

**Date: 07.11.2020**

All candidates who have taken admission to the 1<sup>st</sup> Semester classes of our College (Session 2020-21) are mandatorily required to declare their admission status by the 9<sup>th</sup> of November, 2020. To be specific, they must follow the under-mentioned steps:

Step 1: Log in to our Admission Portal with your Application number and password  
Step 2: You will see two options that are on display - (a) Confirm Admission and (b) Confirm Cancel  
Step 3: Choose either of the two and then click on the 'Confirm and Save' button

Please note that according to the Government advisory to the universities, a candidate's application for registration may be denied/cancelled by the concerned University in case it is later detected that he/she has taken multiple admission to different Colleges but has not cancelled his/her admission in the Colleges other than one chosen college.

It may further be noted that each candidate has to declare that the data submitted by them during application is correct. As per our notice dated 10.08.2020, submission of false/fake information by a candidate will render his/her admission liable to be cancelled.

**There is still an opportunity to correct any information (like spelling of name, address etc.) that does not have an impact on merit list. Therefore, candidates are advised to make such correction (s) before they click on the confirmation button so that their registration application is smoothly processed.**
