NOTICE

Dated: 02.01.2021

Sub: Error Lists (Ref- Calcutta University registration for 1st semester students of our College)

All candidates who took admission to our College (1st semester of 2020-21) are advised to carefully note they should -

1. Go through the under-mentioned lists to check whether their names are contained therein:
 - a) List of candidates with document errors (Examples - No BPL certificate even when the candidate has claimed that she/he belongs to the BPL category, no migration and equivalence certificate, no registration certificates for those who got CU registration last year etc)
 - b) List of candidates who have applied for registration from more than one College (Multiple College list).
2. If a candidate finds his/her name in list 1(a), immediately mail the relevant certificate(s) to cityreg2020@gmail.com in jpg format (size should be within 90 kb) by 04.01.2021.
3. If a candidate finds his/her name in list 1(b), immediately cancel the admission in all except one College.
4. It has been observed by us that many candidates (in these lists and also outside these lists) have not uploaded scanned copies of original documents or self attested photocopies of original documents. Note that Calcutta University has asked for self-attestation on all documents (class X admit card, 10+2 marksheet, caste/PWD certificate, if applicable, etc). If you uploaded a scanned copy of the original document, self-attestation is not required. Net downloaded market is not accepted by CU. All such faulty applications will be blocked/cancelled by CU later, if not already blocked.
5. In view of the above (point 4), all candidates who have uploaded unattested photocopies of documents, or net-downloaded marksheets, must send self-attested photocopies now. Please ignore if you have already uploaded self-attested photocopies or scanned copies of original documents. In case you have NOT uploaded scanned copies of the originals /self-attested photocopies, mail the relevant certificate(s) to cityreg2020@gmail.com in jpg format (size should be within 90 kb) by 04.01.2021.
6. NOTE THAT SIMILAR NOTICES WERE TWICE PUBLISHED EARLIER AND THIS IS YOUR FINAL CHANCE TO CORRECT YOUR REGISTRATION RELATED FAULTS. THE COLLEGE WILL NOT TAKE ANY RESPONSIBILITY IF YOU FAIL TO RESPOND WITHIN 04.01.2021 AND YOUR REGISTRATION APPLICATION IS REJECTED BY CU.
