## Notice

Sub: Submission of CU Examination Form in College

We have received a number of appeals from outstation students informing us about their difficulty/ inability to be physically present in Kolkata to submit the hard copies of their examination forms (CU even semester examinations under CBCS as well as under the old 1+1+1 system) at the College office. In view of the partial Covid-related restrictions on movement of vehicles, their problem appears to be genuine. Hence, it is hereby notified that outstation students need not come to the College physically. They are advised to carefully fill in their application forms and submit their forms online. They are also advised to take a print out of the same and check the entries in the form carefully. In case there is any error, they should correct the erroneous entries in pen, put their signature at the appropriate place and mail the scanned hand-corrected copy of the form in pdf format at cityreg2020@gmail.com by 22.07.2021.

It is further notified that the fees payable by them should be paid immediately after physical classes are resumed or at the time of collecting the relevant mark sheets, whichever is earlier.

It may be noted that this facility is available only for the outstation candidates.
