This is to inform that according to the answer scripts received by the teachers of the Dept. of Physiology, the **SEMESTER-1 Physiology General** candidates listed above did not appear in all sections (internal assessment/ theoretical / practical ) of Paper CC1/GE1. They were intimated through Group Whats App and personal emails to meet the teachers of the Physiology Dept. to sort out the problem. Till date none responded. This is a final reminder. If these candidates do not meet Dr. Amitava Pal, Dept. of Physiology, on Tuesday, 29<sup>th</sup> March, 2022, their marks will be uploaded according to the answer scripts received. Treat this as very important and urgent.
