CITY COLLEGE

Department of English

Date: 25.07.2024

NOTICE

All the students of **Semester VI, English Honours** are hereby notified that a career counseling session is going to be held to provide awareness about pursuing M.A in Comparative Indian Language and Literature as an alternative to the conventional path of M.A in English Literature. There are many students who wish to pursue regular M.A course but available seats in the subject of English Literature are marginally low in proportion to the number of students completing their graduation degree in English Honours. The objective of this session is to make students aware about a worthy, if not more powerful, alternative. All the students of this department are requested to attend the session.

The schedule for the session is fixed on 01/08/2024 (Thursday), from 12:00 PM to 1:00 PM.
at room no. 05.
