Activity Report

Title of the Event: Semester – III (Hons.) Students' Seminar of Department of Botany

Date of the Event: 09.11.2022 (12.00 noon to 4.00 pm)

Brief objective:

- i)** To provide a platform to the students to identify, understand and discuss topics of their own choice but within the broader framework of Plant and Allied Sciences. Therefore, it is not thematic like conventional seminars.
- ii)** To make students ready for the real world seminars – through engaging them to gain latest knowledge of the topic of their choice. Preparing PPT presentation, improving communication skills, acquiring good manner of putting questions and to answer the questions of other fellow participants And teachers renewing motivation and confidence for future ahead.
