2021-2022  
City College,  
Department of Botany**

Name of the Event: World Health day Celebration on 07.04.2022.

Topic: Special Lecture on “Climate Change”

Speaker: Dr. Partha Karak, Assistant Professor, Dept. of Botany

Date: 07.04.2022

Time: noon onwards

Venue: City College, Department of Botany.

Organized by: City College, Department of Botany.

Number of Participants:28

Summary: This lecture related to the awareness Program on global warming and its impacts on the environment and climate change. Climate change refers to long-term shifts in temperatures and weather patterns. These shifts may be natural, but since the 1800s, human activities have been the main driver of climate change, primarily due to the burning of fossil fuels (like coal, oil, and gas), which produce heat-trapping gases.

Flyer and Photos:

The logo for World Health Day 7th April. It features the word "WORLD" in a large, blue, sans-serif font. The letter "O" is replaced by a small globe showing green continents and blue oceans. Below "WORLD" are the words "HEALTH DAY" in a smaller, blue, sans-serif font. Below that is a large, blue, sans-serif "7" with a smaller "th" to its right. At the bottom is the word "APRIL" in a blue, sans-serif font. The entire logo is centered on a white rectangular background.

The background of the slide is a landscape photograph. On the left, a tree with dark, dense foliage stands against a cloudy, overcast sky. On the right, a bright green field of crops stretches to the horizon under a clear blue sky with a few white clouds. A semi-transparent blue rectangular box is overlaid on the bottom half of the image, containing the text for the lecture.
