

Report on “Laboratory Visit to IISER-Kolkata, Kalyani”

Date : 27.02.2020

The Indian Institute of Science Education and Research (IISER) Kolkata organised its first 'Open Day', on 27th February 2020. A day before National Science Day, IISER Kolkata opened its gates (and labs of course) to students and teachers. Semester 4 students of Chemistry department took the opportunity to visit IISER-Kolkata. Two faculty members Dr. Pampa Guha and Dr. Subhashis Samai guided them in this regard. It was a nice experience for all the students and the teachers.

This is to inform you that following students, along with departmental teachers, will visit IISER-KOLKATA on 27th February, 2020 -
