Quiz Competition

The RBI Museum organized an Inter-college Quiz competition to celebrate the International Museum Day on May 18, 2023 at the RBI Museum premises. The topic for the said quiz was 'General quiz with a highlight on Museums'. Ten different teams from different colleges (both government and private) were participated in this competition. Four students of second and fourth semester from the Department of Economics accompanied by two teachers, Prof. Sandipan Das (HOD) and Dr. Pamela Paul have participated in the quiz competition. We made two different teams of two students. We are very glad to share our feelings that our second semester students Rajib Das and Avijnan Ganguly along with other two students from fourth semester Sayantan Sadhukhan and Sneha Maji secured the second position in this competition. A memento along with the participation certificate have been distributed at the end of this programmed.
