Report:

An online career guideline programme was organized by IQAC City College, Kolkata on November 29, 2021 for the Students of B.A. Stream. It was a time of COVID-19 pandemic and an online program was the only option for our students to give an outline about their future career. Students have enrolled online earlier through google form. Our speaker, Ms. Chandrima Mozumdar is an eminent personality and associated with Employment Exchange Department of Govt. of West Bengal. The started with a speech from our respected Principal Dr. Sital Prasad Chattopadhyay followed by a welcome note by our IQAC Coordinator, Dr. Arnab Chaudhuri. Ms. Chandrima Mozumdar discussed in detail about various avenues of different kinds of government jobs through employment exchange. She had also talked about non-government job opportunities for students of B.A. stream after graduation and how to aim and prepare for the same. At the end, there was a question-answer session where she answered queries of our student participants with great enthusiasm. It was a very successful programme and our students were benefitted a lot with the multifaceted discussion about their future career options with respect to job opportunities. The programme ended with a vote of thanks to all the stakeholders.
