Report

NSS, City College Organizes Cleanliness Drive to Celebrate Swachhata Hi Seva 2024

On September 28, 2024, the NSS unit of City College conducted a successful cleanliness drive to commemorate Swachhata Hi Seva 2024. Led by Programme Officer Sandipan Das, the event aimed to raise awareness about the detrimental effects of single-use plastics and promote sustainable practices.

Dr. Sital Prasad Chattopadhyay, the esteemed Principal of City College, inaugurated the programme with an inspiring address highlighting the importance of cleanliness for a healthier and more sustainable society.

The drive began on the college campus, with students and staff actively participating in the collection of single-use plastic waste. The collected items were then distributed to street dwellers residing near the college, empowering them to generate income by selling the plastics to recyclers.

With over 35 participants from the college community, the event was a resounding success. This initiative not only cleaned up the environment but also fostered a sense of social responsibility among the participants.
