Department of philosophy

- Activity Report:

Our Department organised a student seminar on 10/05/2023. The seminar topic is “Non-Violence in Gandhian Philosophy”. The main goal of this seminar to established the concept of world peace. If the established of world peace, must be practise of non-violence in our life. Non- violence was not a cloistered virtue, it is central organising principle. This principle plays a very important role in social, economic and political aspects. Our students belief that non-violence is soul force or love force. ‘Non-violence’ is a best way for resolution any dispute and conflict. Our students were very encouraged about this seminar and they have gained a clear concept of the principle of ‘Non-violence’ through this seminar.
