One day Seminar on

# “RECENT PROGRESS IN RENEWABLE ENERGY”

Jointly Organized by

Department of Physics & IQAC  
City College, Kolkata

Speakers:

**Smt. Sohaniya Mandal**

SRF, Dept. of Marine Science  
University of Calcutta

**Dr. Soumyo Chatterjee**

Senior Research Scientist  
Opteev Technology Inc. Kolkata

Topics:

The Old Outlook of Tide in the  
New Bottle of Oceanographic  
Aspect

Solar Cells: Fundamentals,  
Research & Opportunities

6th September, 2022 | Time: 12 pm onwards | Venue: Room no 6

**One day Seminar on Recent Progress in Renewable Energy**  
**Date: 06.09.2022**

**Speaker: Dr. Soumyo Chatterjee**

**Affiliation: Sr. Research Scientist, Opteev Technology Inc. Kolkata**

**Title: Solar Cells: Fundamentals, Research & Opportunities**

**Speaker: Smt. Sohaniya Mandal**

**Affiliation: SRF, Marine Science, University of Calcutta**

**Title: The Old Outlook of Tide in the New Bottle of Oceanographic Aspect**

**Objective and Report on the Seminar**

Speakers for the seminar were alumni of the Physics Department of City College. The seminar was organized with the objective to provide current students of the Department the opportunity to interact with ex-students of the department who are well placed. This will encourage the present students to pursue higher studies in physics. They will also get to know the allied fields of study related to physics where they can potentially pursue higher studies.

The seminar was attended by Honours students of all semesters and faculty members of the department. Respected Principal inaugurated the seminar. It was also attended by Coordinator, IQAC, City College. The talks were followed by an interesting question and answer session where the speakers answered questions posed to them by enthusiastic and inquisitive students. There was also a poster session by students of the department where they showcased applications of different forms of energy in real life.
