Two-Day Workshop for 4th & 6th Semester Zoology Honours Students

Dept. of Zoology, City College, Kolkata- 700009

NATURE OF WORK: Lecture and video presentation on Ornamental fish culture in relation to livelihood. Exposure visit to Krishi Vigyan Kendra.

Date: 28.02.2023 – 01.03.2023

Organizer: Department of Zoology, City College, Kolkata-700009

Participants: 4th & 6th Semester Zoology Honours Students, Teachers and Non teaching staffs of City College, Kolkata-700009 Workshop For 4th & 6th Semester Zoology Hons. Students

Brief Report:

To celebrate “World Aquarium Day”, The department of Zoology, City College organized a Lecture cum Video Demonstration titled ““Role of Ornamental Fish Culture on Livelihood and Mental Health” by Dr Bijay Kali Mahapatra, Principal Scientist & Scientist In-charge (Former), ICAR, Central Institute of Fisheries Education (CIFE), Kolkata on 28.02.2023 in the College. His lecture included description of different common to rare ornamental fishes that can be reared in aquarium. Feeding habits, disease and its precautions of those fishes were also discussed. Most interesting and valuable part included video presentation on breeding activities of some fishes which can be reared by common people within less elaborate establishment by minimum capital. Students were encouraged for such small scale livelihood project with some basic knowledge about ornamental fishes. Dr Mahapatra also suggested from where financial assistance as well as fish seeds etc can be available; additionally he also suggested that such aquarium fishes can improve depression and cheer our mood. All students, Teachers and others persons present there enjoyed the colourful lecture cum video session and students were enriched with few alternative ways of livelihood even from their students life. The session ended with vote of thanks to Dr Mahapatra.

In the second day of the workshop, students of both 4th and 6th SEMs of Zoology Honours visited the Krishi Vigyan Kendra, Narendrapur, Sonarpur, 24 PGs., where they achieved a plethora of exposure to varieties branches of applied Zoology, Agriculture etc. including

integrated Fish farming, Ornamental fish culture, Dairy, Goatery, Poultry, Duckery, Vermi composting, Dragon fruits orchard, Seed & Meat Processing Unit etc. In every such sections of the Krishi Vigyan Kendra, experienced persons demonstrated the process of different activities in practical fields as well as through lectures. Students were thus exposed and encouraged to build up their future career in different applied branches of their main stream subject. The KVK authorities showed a great hospitality to all participants.
