**in Association with HDFC Bank**

## **Brief Report**

City College, Kolkata partnered with HDFC Bank to organize a blood donation camp on its campus on 05.01.2024. This is in continuation of City College's rich tradition of engaging in various outreach and extension activities that have a direct bearing on the society and mankind at large. To keep this tradition going, like past years, this year too the College organized a blood donation camp. The initiative was taken primarily by the students' union, who have in the past organized many such activities. The students union was ably supported by the college administration and the faculty members. Altogether, 151 persons including students, teaching and non-teaching staff came forward and contributed in this noble cause by donating blood.
