This webinar was organised online, the proposal coming from Bombay Stock Exchange and Economics Department happily accepted the offer for investor awareness among the students and asked for collaboration with Commerce Department, who also consented eagerly.

The Resource person was **Ms Darshana Rampuria, CA**

Darshana carries an experience of over eight years in the field of business consulting and debt capital raising. She holds expertise in providing solutions to Emerging corporates/SMEs with her analytical and execution skills. She has been an investment banker and an integral part of some SME IPOs. She had lead teams for debt capital raising and business advisory in Kolkata & Mumbai.

She has done her B.Com. Honors from Shri Shikshayan College, Kolkata and is a qualified Chartered Accountant.

She has excellent clarity in her deliveries and as expected, she touched upon the following points:

- Do's And Don'ts Of Managing Money
- Starting The Basics Of Capital Market
- Saving, Investing And Building Wealth
- Awareness Of The Dangers Of Ponzi Schemes

The power point presentation has very innovative graphics. After her presentation was over, students in both batches interacted avidly and Ms Rampuria explained or allayed the fears of the young minds choosing the right instrument of savings.

It was closed with a vote of thanks on behalf of the College.
