It is always acceptable that non violence is the source of peace.It also gets prosperity. We have noticed that in Vedic Period,Gandhiji and many other religious preachers have given importance to promote the message of non violence.Love,patience,good wishes and peace are the main goal in all types of religion throughout the World.Mahabharata also advices to take the path of non violence.But we should be violent sometimes to establish the good will after destroying evil power.A Kshatriya should fight against evil power.Mahabharata proves that violence is destructive and it is not the only way to get prosperity.Bhishma told Yudhishthira that non violence is the only way,that gives peace and prosperity.Lord Krishna also advised that good wishes bring victory.

Dr. Aditi Bhattacharya, Assistant Professor, Department of Sanskrit,
Barasat Government College, North 24 Parganas.
