One-Day International Seminar on "Nurturing Curiosity: Exploring the Dynamics of Learning and Teaching"

Date: February 23, 2024

Venue: Room No. 6, City College, Kolkata

Organized by: City College, 102/1 Raja Rammohan Sarani, Kolkata-9

Overview

City College, Kolkata, hosted a one-day international seminar titled "*Nurturing Curiosity: Exploring the Dynamics of Learning and Teaching*" on February 23, 2024. The event was aimed at exploring contemporary methodologies and insights in learning and teaching, with a focus on fostering curiosity among students and educators. The seminar featured renowned speakers from both national and international academic institutions.

Program Summary

The seminar commenced with the registration of participants at **12:00 noon**, followed by the **Inauguration Ceremony at 12:30 pm**. Dr. Sital Prasad Chattopadhyay, Principal of City College, delivered the Welcome Address, and Dr. Mahitosh Gayen, Vice-Principal of City College, delivered the Inaugural Speech, setting the tone for the event.

Session 1: Learning and Teaching Attitudes

The first lecture, scheduled from **12:45 pm to 1:45 pm**, was delivered by **Prof. (Dr.) Nitin Chattopadhyay** from the Department of Chemistry, Jadavpur University, West Bengal, India. His lecture was titled "*Attitude of Learning and Teaching*". He discussed the essential role that attitudes play in both teaching and learning, emphasizing how curiosity and a growth mindset can significantly improve the educational process. Dr. Arindam Rana introduced the speaker.

Session 2: Sustainable Catalysis in Organic Synthesis

The second lecture, from **1:45 pm to 2:45 pm**, was delivered by **Dr. Rakesh Maiti**, a Marie Curie Fellow from the University of Bayreuth, Germany. His presentation, titled "*Catalysis in Organic Synthesis – A Sustainable Tool for Precision Bond Formation and Waste Management*", highlighted the importance of catalysis in organic chemistry, particularly in promoting sustainability and precision in scientific research. He emphasized the impact of sustainable practices on the environment, offering practical solutions for reducing waste. The speaker was introduced by Dr. Biswajit Panda.

Valedictory Session

The seminar concluded with the **Valedictory Session at 2:45 pm**, where **Dr. Arkadeep Mitra** gave the vote of thanks, expressing gratitude to all the speakers, participants, and organizers for making the event a success.

Conclusion

The one-day international seminar successfully brought together experts from different fields to discuss innovative approaches to teaching and learning. The event emphasized the need for nurturing curiosity and integrating sustainability into academic and scientific practices. Participants left with a renewed sense of purpose and practical insights to implement in their respective fields.
