

1.) Prof. Mitali Ray and Prof. Pampa Guha, both the joint conveners started the meeting with a welcome note. They proposed about a diabetes awareness program and regarding this they already had a talk with a physician. The house agreed and accepted the proposal and the proposed date had been fixed ~~at~~ anytime before the winter vacation starts. It was also proposed by Prof. Saiful Anam Sir to have a random testing activity for a limited ~~period~~ heads of around 50 persons.

2.) Mr. Pintu Chowdhury briefed about the present dire conditions of different bathrooms in the College and Prof. Sharmila ^{Das} ~~Ray~~ stressed the fact that any repairing work should be checked properly after the work has been done. The house agreed ^{with} the present situation of bathrooms and agreed to address it in different capacities possible.

3.) Principal Sir was present in the meeting and he consented for the proposed diabetes camp.

4.) In regard to bathroom cleaning, principal Sir had assured that the requisite ingredients for cleaning has been purchased. He has also asked for a report from the committee to be presented after inspection.
