Brief Report: Gender Sensitization is a process of teaching of gender sensitivity and locating the need for behaviour correction/ modification through raising awareness of gender equality. With these views, the Orientation Program was organised by the Women Cell, City College, Kolkata to Sensitize all students, Teaching and Non-Teaching staff of the college on Gender Equality. The program was inaugurated at 11:30 a.m. with the welcome address by Dr. Sital Prasad Chattopadhyay, the Principal of City College. Dr. Arnab Chaudhury, the Coordinator, IQAC of City College, Dr Arkadeep Mitra, Convener, NAAC Committee, and Mr Siddhartha Dutta, Bursar, City College also graced the program. Dr Supriti Sarkar, Convener of Women Cell explained the necessity of the program in her Key-note address. The Eminent Speaker Dr Esita Sur, Associate Professor in Political Science, Scottish Church College, Kolkata delivered a talk, titled “Gender Equality: Exploring the Meaning and Realities”.

Dr Sur at first explained the concept of feminism, gender equality, patriarchy etc. and distinguished between Gender Difference and Gender Equality. According to her, gender sensitization involves understanding and challenging the existing gender roles, stereotypes, and biases that are quite prevalent in our society. She emphasized on behavior modification or correction of teachers, educators and administrators towards the students.

Dr Sur also focused on the Women’s Movement in India, its lacunae and current trends in the concepts.

Most importantly, she mentioned that, it not only includes women but also the LGBTQIA+ community.

In her concluding part, she guided the teachers how to become more empathetic towards others and handle a transgender student in the classroom. She advised how should we understand inclusion and diversity in the classroom and society.

In the vibrant questioner session, a large number of audiences, mostly interested students interacted with the speaker about various aspects of gender equality and related social issues.

The session ended with vote of thanks to all from the end of Women cell.

A FEW REALISATIONS:

- It needs to revisit our social conditioning,
- It is important to challenge.
- It is not always about equality but respecting the difference.
- Difference does not mean inequality.
- Women are not a monolith.
